# How Your Support Helps

Golf for Education is an annual golf tournament that supports Greenville Adventist Academy's PFE (Partnering for Eternity) K-12 Program matching funds, enabling children in our community to have a high quality Christian education.

Your support of this program helps students and families that need tuition assistance by rewarding them for participating in community outreach with senior citizens, building generational bridges that benefit everyone.

To date, over 270 students have benefited from this program. Golf for Education has allowed us to partner with the SFFC Foundation to provide over \$240,000 in tuition support!

Because of you, students in Greene County and surrounding areas are able to receive a high quality, Christian-based education. Thank you for making a difference!

## About GAA

Greenville Adventist Academy provides outstanding Christian education for all grades (K-12). The school serves Greenville, Greene County, Newport, and Rogersville. Enrollment is open to families desiring Christian education regardless of church affiliation. The school strives to provide an exemplary education program. Classes are small (usually 12-18 students). The staff are all certified teachers.

Some highlights of Greenville Adventist Academy include:

- Bible-based Christian Education
- Exceptional Standardized Test Scores & Academics
- Regular Service & Mission Trips
- Student Financial Assistance
- Outstanding Music Program: Vocal Choirs, Handbell Choirs, Strings, and Band
